

“ 4 Key Facts you need to know about Rosarian Academy ”

Moral/Spiritual Development

As a strong, family-centered community of faculty, teachers, parents, and students, we are dedicated to individually valuing each student and providing a secure and safe foundation for life. The Dominican tradition of prayer, study, service, and community enriches and guides the Rosarian student experience.

Strong Academics

We provide a differentiated education for PreK - 8th grades with hands-on learning opportunities and rigorous academic options for those students who wish to be challenged, while serving those who learn differently.

Holistic Education

Starting in our Montessori Early Childhood program (1 to 5 years old) and continuing through the Lower School (K – 4th) and Middle School (5th – 8th), Rosarian Academy fosters an exceptional environment that excels in knowledge, faith, arts, athletics and active service. In addition to the core subjects, we provide programs in religion, visual and performing arts, guidance, health, physical education and STEM, delivering a well-rounded and grounded education for students as a foundation for their future successes in any 21st-century career path.

Individualized Attention

With small class sizes, and a student to faculty ratio of 8:1, Rosarian Academy caters to the whole person and guides its students to grow into well-balanced, service and community-oriented leaders of tomorrow.
